Agenda Items

Item	Person Presenting	Time Allotted
1. Motions and Changes	Sam Kramer	20 minutes
2. Fliers for Approval	Sam Kramer	10 minutes
3. Time Standards	Sam Kramer	10 minutes
4. Zone Team (motion)	Sam Kramer	10 minutes
5. Good of the Order/Next meeting	Sam Kramer	10 minutes

Next Meeting: TBD (Proposed for Summer 2012)

Minutes:

Flyers Regionals and AGS updated for housekeeping, time standards, and language changes. Sets of feedback considered from both General Chair and AGC.

AGS: Housekeeping items, division of 11-14 events due to meet management/seeding difficulties. Rule adjustments and flier adjustments. Drop 13-14 50s of strokes. Could not finalize motion for event order changes so dropped from discussion at this time. Feedback from past state meet included in considerations.

Meet protection included as motion that grandfathers all existing meets with limiting factors unless host team chooses not to host. At that time the host team will lose the protection and that weekend for that meet. Need to get bid process to better align with offering a variety of meets to meet needs and new standards in AZ Swimming.

Zone Team: selection criteria, what LSC provides, cost, coaches attending, etc (logistics). Motion presented to get ball rolling. Want to seek sponsorship for this team in order to reduce the cost.....

Time Standards: New standards to present and will change AGS/Regional Formats as shown in motions. Have not seen final sets of new standards for both AGS and Reg, but will support.

Time Standards for Relays dropped. Will remain 2 relays per team.

Good of the Order: Meet size/realignment/formatting needs to be discussed with movement to new standards. How can we create a system of some structure and some freedom to provide for the needs of all in AZ Swimming? Further discussion in support of zone team and selection criteria (all who make it go? AZ Swimming provides &? Cover cost of coaches?)?
