

## Senior Committee Meeting

March 10, 2025

### Members present:

Mike Chasson, Joe Zemaitis, Paul Root, Scott Goodrich, Maja McDougall

### Discussion Items:

1. Reviewed the long course and short course Senior State meet flyers.
2. Agreed to change the event schedule for long course Senior State to better manage the warm water. This involved adding a Thursday morning session and moving events around to minimize the effects of water that was too warm.
3. Agreed to add a D final to the short course senior state meet. The D final would require long course Sectional cuts.
4. Agreed to make sure all breaks were in the meet flyers for both State meets.
5. Agreed to maintain the scholarships amounts for LSC scholarship program.
6. Discussed coordinating with the Coaches committee to bring in a speaker(s) in August or September to speak about areas of interest to all coaches.
