The Committee decided to table the discussion on selecting dates for the 2026 LC LSC Championship events until June, 2025. This will give our meet hosts time to check pool availability for possible meet bids.

The Committee received an update from Senior Chair Mike Chasson, Age Group Chair Meg Zadjinski, and General Chair Joe Zemaitis on the addition of the 50s of stroke for the 13-14s at Regionals & Age Group State and the Seniors at Senior State.

Regionals:

- Added 50s of stroke for 13&O athletes as “bonus” events if they have the 100 qualifying time of that stroke.
- Allows for 4x individual events per day.
- The meet is still Timed Final.

Age Group State:

- Added 50s of stroke for 13-14s as “bonus” event provided they have the 100 “A” time.
- These events are Prelim/Final

Senior State:

- Added 50s of stroke as “bonus” events provided they have the 100 “A” time.
- These events are Timed Final.
