

BE A STAND-UP PARENT

More than 5,000 competitive swimmers, aged 6 and older, in Arizona are a vital part of our future and our country's global swimming reputation. But they can't get there alone; they need guidance, encouragement and understanding. That comes from wise, dedicated volunteers encouraging them to reach higher goals, and teaching them life's lessons through their sport.

That's where YOU come into the picture. As an on-deck USA Swimming Official, you can help these young swimmers learn the lessons and rewards of honesty, discipline, consequences and self-esteem. It's a chance for you to repay the sport for what it has given your kids.

As a volunteer Arizona Swimming Official, YOU WILL MAKE A DIFFERENCE in their lives, one swimmer at a time, by nurturing their swimming experience. I hope you will enjoy the rewards of giving yourself, and join the Arizona Swimming Officials family.

Club Officials Contact:

Be an Arizona Swimming Official !!

Its Easy! Be here in a way that really makes a difference to them and us. All of our Arizona Swimming meets are conducted by volunteers like you. Just bring yourself over to the deck referee, and they will welcome you aboard. We'll teach you the ropes. You'll 'shadow' with a Stroke & Turn Official for a few sessions, then take an online test and workshop. You will make a difference!

Officials Pre-Certification Form (short)

Please complete the required information and keep this form with you at all meets for the referee to sign. When the required sessions have been worked, submit this completed form with your clinic & test(s) information to the AZSI Office for certification.
