

	POLICY & PROCEDURE	PROCEDURE NUMBER: 870
	Subject: ELECTRONIC COMMUNICATION	EFFECTIVE DATE: 01/01/2015

1. ELECTRONIC COMMUNICATION

Arizona Swimming recognizes the prevalence of electronic communication and social media in today's world. Many of our swimmers use these means as their primary method of communication. While the Club acknowledges the value of these methods of communication, the Club also realizes that there are associated risks that must be considered when adults use these methods to communicate with minors.

All communications between a coach or other adult and an athlete must be professional in nature and for the purpose of communicating information about team activities. The content and intent of all electronic communications must adhere to the USA Swimming Code of Conduct regarding Athlete Protection.
