4. REIMBURSEMENT FOR ATTENDING NATIONAL LEVEL COMPETITION

In addition to enforcing the rules of swimming uniformly across all meets, one of the goals of the Officials Committee is to educate the athletes in the protocols of swimming in meets at all levels. When an Arizona athlete ventures onto the national deck, they must have the knowledge as to the protocols which will be used in the administration of that meet. To educate our athletes, the officials of

AzSI must also understand the way meets are conducted at that national level. To that end AzSI provides limited funds to offset the cost of attending and participating at such National Meets.

Only National Meets sponsored by USA Swimming qualify for any assistance. National Level meets that qualify are US Open, Junior Nationals and National Championships, and Olympic Trials.

To qualify for reimbursement of costs for attending such National Level meets, the Official Chair shall:

- A. Encourage officials who have not participated at the National Level, especially new referees to attend such meets.
- B. Recommend to the General Chair the officials whom the Officials Chair feels would benefit from this experience, and
- C. Inform the General Chair as to the availability of budgeted funds for such trip,
- D. the General Chair's may either approve or decline to approve attendance at the National Level meet.
- E. Should the General Chair decline to approve participation in a Meet, the Officials Chair may appeal that decision the Board of Directors whose decision shall be final.
- F. Limitation as to funding of travel to National Level Meet
 - a. Generally only two officials may be reimbursed for each cycle of meets, a cycle being Long Course and Short Course season, and
 - b. Officials who have not previously been reimbursed for such participation have first priority to funding, and
 - c. Reimbursement shall be limited to a maximum of \$350 per participant.
 - d. If no officials who have not previously been reimbursed apply for and are granted funding, then such funding as outlined in a. and c. above shall be available to other officials participating at a National Level Meet on a first come first serve basis.
 - e. Officials who participate in this program are expected to work all sessions of the meet. The Officials Chair may grant permission for the participating official to not work certain sessions such as, for example, Thursday night distant events, to limit the number of days a participating official would miss work.
