INSTRUCTIONS TO SIGN IN TO WEBSITE ACCOUNT TO TAKE THE OFFICIALS TESTS

To take any of the official's tests you must first sign to your usaswimming.org website account with your user name and password.

1. If you have **never** created an account on usaswimming.org: You must first [create an account](#). If you have completed your Non-Athlete membership with your Local Swimming Committee (LSC), follow the instructions to [link your Web site account to your USA Swimming membership](#). Once you have created the account and linked it to your USA Swimming membership, navigate back to this page to continue the online officials test. If your membership is still pending, you can still come back here and continue the online test. You should link your account after you receive your USA Swimming Membership card from your LSC.
