The Bid Cycle for the 2020 Long Course Season is now OPEN. All bids must be submitted through the online portal on the Arizona Swimming website.

Club Contacts or Head Coaches should go to [www.azswimming.org](http://www.azswimming.org) and find the link for the **Meet Bid Portal** under the **Meet Information** tab to complete the online forms completely with the information as it will appear on your meet flyer.

Any issues regarding access to the Bid Portal should be directed to Carla Morelli [office@azswimming.org](mailto:office@azswimming.org).

Once you have filled in all the forms and the bid is submitted, the website will generate a receipt that will be emailed to you. If you do not receive a confirmation email, assume that your bid was not submitted properly, you should resend the information.
