

AZ Swimming officials,

This year (2021), all AZ Swimming officials are required to attend a recertification clinic for the highest level of their certifications in order to renew their USA Swimming credentials. If you have already attended a clinic at your highest certification level during 2021, and ***it has been entered in the OTS***, you do not need to attend the recertification clinic (please verify this in the OTS).

The recertification clinics schedule is below. All the clinics will be virtual, conducted via Zoom. Please contact John Rajadas with your choice of date for your clinic attendance. A Zoom meeting invite for the clinic will be e-mailed to you two days prior to the scheduled clinic date.
