

AZ Swimming officials,

Clinics (Initial & Recertification) for the positions of Stroke & Turn, Starter, Deck Referee and Admin Official have been scheduled (the schedule is below). These clinics will be virtual, via Zoom.

If you are a certified USA Swimming official affiliated with AZ Swimming and have not attended any clinics (including those presented at the Swimposium) this year, you will need to attend a recertification clinic at your highest level of certification this year (the schedule below may be your last chance to get this done). If you hold an Admin Referee certification, please make sure to attend both Deck Referee and Admin Official clinics.

If you are interested in attending, please contact John Rajadas (rajadas@cox.net).
