System 6

Lessee acknowledges it has/will inspect the rented equipment and has/will accepted such equipment in good working condition and repair at the time of delivery. After acceptance, and until return of equipment to Lessor, Lessee shall cause equipment to be kept in good repair, excepting normal wear and tear, and shall bear all risk of loss or damage to the equipment. Lessee agrees to adequately insure equipment at its expense during time equipment is in its possession.

Lessee acknowledges that in the event of damage or loss to the rented equipment, including if applicable, the trailer, Lessee shall be liable for an additional rental charge equal to the cost of repair or, at the sole option of Lessor, replacement of that equipment.
