Finance Vice Chair Slate of Nominations

William Brundige

I graduated from the University of New Orleans with a BS in Accounting and began my career in 2000 as an auditor with Arthur Andersen, which in New Orleans then became EY. I am a CPA licensed in Louisiana and began my career with Freeport-McMoRan in 2003. At Freeport in the Corporate office of New Orleans and then Phoenix, I worked in financial reporting for eight years preparing SEC filings and finance for seven years performing economic analysis for projects and life of mine related to our Tenke

mine in the Democratic Republic of the Congo. In 2018, I joined Corporate Finance – Financial Planning & Analysis, where I am now a Director working on the consolidated five-year forecasts each quarter and preparing the quarterly Board Report to the Freeport Directors. I was an age group swimmer in New Orleans and took a few years off for school sports. Then, I swam as a pre-freshman through my senior year on the team at Jesuit High School and for the club team, New Orleans Aquatics. I continue to swim with a masters group. I support both of my daughters, who have been swimming since they were little and continue to swim for their clubs at the age group level. I enjoy volunteering at the swim meets and meeting and talking with the other swim parents as we attend meets together. I am looking forward to the possible opportunity to serve Arizona swimming as the Vice Chair – Finance.
